

PINELLAS COUNTY BOARD OF COUNTY COMMISSIONERS
PINELLAS COUNTY SHERIFF'S OFFICE

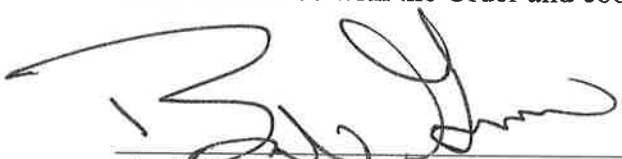

Re: All Pinellas County Golf Courses

Pursuant to Pinellas County Resolution No. 20-20: "COVID-19 – SAFER AT HOME" ORDER (Order), effective Thursday, March 26, 2020 at 12:00 PM ET, all public and private golf courses are classified as non-essential businesses. However, all golf courses choosing to operate must comply and enforce all applicable Centers for Disease Control (CDC) guidelines on social distancing and any other federal or state order impacting operations or services. Further, golf courses choosing to operate shall follow all recommended cleaning and sanitizing practices as necessary to protect their employees and players.

Pinellas County issued the Order to preserve the health, safety, and welfare of our residents and to preserve the ability of our healthcare system to serve all in need. Our emergency management and public health officials believe that the situation will quickly worsen without this intervention. It is our hope that following these measures will allow everyone to resume normal business operations sooner rather than later.

The requirements of this Order have the force of law and may be enforced by any available legal process up to and including being punishable as a crime by incarceration and/or a fine. To report a violation or ask questions about these requirements, please call 727-582-TIPS (8477).

Your adherence with the Order and cooperation are appreciated.

Sheriff Bob Gualtieri

Barry A. Burton, County Administrator
