

Steps to Forming a Club

The most important requirements for starting a successful club or activity are interest and commitment. Once you know you have a group willing to commit to a regular meeting time and a common interest, you can manage the rest with ease.

1. Decide what type of a club or activity it will be. You should have a topic and the people in your club should be gathering because they share the common interest.
2. You will need to complete the attached paperwork in its entirety and submit your completed forms to the Activity Coordinator in the Community Service Office.
3. When forming your club keep in mind that to be successful you will need to have more than one person, not including individuals who reside within the same unit, who will be representing the club and club interests.
4. If your meetings will be held in one of SCA's facilities, you will need to complete a Facility Reservation Agreement and Facility Request Form. The forms can be obtained from the Activities Office located in the East Activity Center. Depending on the type of event, you may be required to pay a refundable room deposit.
5. If you have not done so, you will need to determine how often your club will meet. Once you have decided if your meetings will be weekly, bi-weekly, etc., you need to determine the time of day that you desire to hold your meetings.

NOTE: Room reservations are taken at the beginning of each quarter and are limited to three-month increments, on a first come and first served basis, based on room availability. Only residents and approved tenants with a valid activity card or members of approved clubs or activities may make room reservations. Room reservations do not guarantee exclusive use of the room. Others may not be banned from entry/exit. Further, SCA, its officers, directors, members, contractors, employees and agents, including Parkway Maintenance & Management, Pinellas LLC, shall have the right to enter the facility, with or without prior notice, and may attend or monitor events and meetings, and may utilize the facility for any and all purposes.

In this month:	You may schedule for:		
December→	January	February	March
March→	April	May	June
June→	July	August	September
September→	October	November	December

6. To reserve a meeting room, please visit the Activities Office at the East Activity Center.
7. If you are planning to form a club or activity you must submit the attached completed forms along with contact names and phone numbers of officers, secretary, and president, if applicable. Incomplete

forms will delay the approval process. This applies to current, as well as new club or activity formations.

8. Club packets are required from every club **annually**. Failure to turn in a packet may delay your ability to schedule room reservations and there may not be any rooms available. If there are changes to your club or activity during the year, you must notify the Events & Activities Manager and update your club paperwork within fifteen (15) days of such change.
9. Club by-laws define officer and member duties. The by-laws create a mutual understanding of how the club operates as described herein. (Only approved owners, approved residents, or approved tenants in good standing with a valid activity card may be an officer of a club or activity.)
 - a. The President is responsible for such items as running the club, club meetings, and filling out and returning scheduling modification forms.
 - b. The Vice President will run the club in the absence of the President and assist the President as assigned.
 - c. The Treasurer will handle the club dues and pay the bills for the club's operations and activities.
 - d. The Secretary will keep the minutes of every meeting.
10. **Only approved residents or approved tenants with a valid activity card from On Top of the World Communities may be members of Clubs.** All outside guests participating in club activities and/or meetings must be in the company of a resident with a valid activity card at all times.
11. **Membership and attendance at club meetings and events must be open and available to all members of the Association without discriminating based on race, color, religion, sex, age, national origin, sexual orientation or gender identity, disability or veteran's status.**
12. If you plan to include food, drinks, and/or alcoholic beverages at any club function, a refundable deposit is required in an amount as determined by SCA, in its sole discretion. The deposit will be returned upon satisfactory inspection of the room after your event. Refunded deposits can be picked up in the Activity Office after two days following your event. You have up to 5 days after the date to pick up your check or it will be shred. If inspection of the room shows that there is damage resulting from the event, such as food and/or drink stains on a carpet, then the deposit will be used to cover the expenses associated with restoring the room to the condition it was before the event and the refund of the deposit will be reduced by such amount. If restoring the room to the condition it was in prior to the event costs more than the amount of the deposit, then you will be responsible for covering such additional expenses.
13. The Activity Centers normally close at 10 p.m. Monday through Saturday, and at 9:00 p.m. on Sundays and holidays. If you would like to schedule your event later than that time an additional fee of \$45 per hour will apply. You must make prior arrangements at the Community Service Office.
14. **Any club or activity group that collects dues or otherwise handles money will need to file for a federal tax identification number. Check if this applies to your club at: <https://www.irs.gov/businesses/small-businesses-self-employed/apply-for-an-employer-identification-number-ein-online>.**
15. If you are utilizing an outside caterer for your event, you will need to provide a copy of their license to operate, W-9 and insurance information at least **two (2) weeks prior** to your scheduled event.
16. If your club meeting requires a table set up different than what's provided in the facility and you would like SCA to make floor plan changes, please submit a drawing of your set-up and your completed Facility Set up Form to the Events & Activities Manager. We request your form, drawing, and payment up to three (3) weeks prior to your event. Additional charges apply for all set ups completed by SCA personnel and are non-refundable. SCA has the right to refuse to make such changes to the floor plan in its sole and absolute discretion.

17. The submission of any club or activity paperwork does **not** guarantee approval. You will receive notification of approval from the Events & Activities Manager.
18. A Waiver of Liability is required to be submitted for any club that includes physical activity or the use of machinery. All members will be required to submit a waiver independently in order to participate. It is the responsibility of the club president to maintain a current roster of members and ensure that each has completed and submitted a signed waiver. Failure to do so will result in all scheduled club activities being suspended until compliance is met.
19. Current complete membership rosters are required to be submitted to the Activity Department for every club or activity. All changes must be submitted to the Activities Coordinator in the Community Service Office. It is the responsibility of the club president to maintain a current roster of members and include that list with your club paperwork when submitted. This information needs to be updated as necessary.
20. If your club or activity utilizes instructors **OR** performs any activity including utilizing machinery and tools, or engages in physical activities, you will be responsible to ensure that **each** participant have a completed and signed Release of Liability Waiver on file with the Activities Department. This form and all activity forms may be obtained at the Community Service or Activity Offices during normal business hours. It will be your responsibility to keep this information up to date. Any club or activity found to be non-compliant may result in the suspension of the entire club or activity. Additionally, all scheduled club activities will be suspended from the calendar until compliance is met.
21. Any resident or outside instructor who charges a fee and utilizes the facility will be required to pay a facility fee of \$50.00 bi-annually i.e. January and July of each year. This fee must be paid prior to any club or activity being placed on the calendar.
22. It is the responsibility of all instructors to supply to the Activities Department with any up to date liability insurance and training certificate(s) per requirements.
