Business Philosophy

I believe effective communication with open and honest dialogue is the key to effective relationships and leadership. It can't be stressed enough that everyone should be treated with respect and dignity.

Personal Information

I have lived in Pinellas County since 1982. After owning a home in Tarpon Springs for 32 years, my husband and I moved to OTOW in 2019. I am familiar with the building construction and the guidelines and rules of construction having renovated two 1400 square foot condos in the past five years.

I am an active volunteer resident in the community as Building Co-Coordinator, Computer Club secretary and President of the Monday Night Bingo Social Club where I manage its funds, volunteers, and all other aspects of holding a weekly event for over 100 residents.
